**Let us Spend A Day In Your Attic**

Good Insulation Pays For Itself. Good insulation is the best way to save heat in winter and keep it out in summer and the better the application, the more you'll save in heating/cooling costs. To protect yourself against rapidly rising fuel costs, be sure you have a minimum of R19 insulation in your attic.

You Can SAVE As Much As 30% A Year  
on your heating/cooling costs!

Quincy, Massachusetts 02169 • (617) 479-6600

**Bloodmobile**

[continued from page 12]

refrigerated in cartons which are lined with ice and special insulation. It then travels to Boston where it is typed and distributed; processing is usually done within 24 to 48 hours of its arrival.

Cohasset's bloodmobile this week yielded 126 pints of blood. Odermatt said this was a good turnout but not what past years have boasted. The need for blood cannot be underscored enough; so, if any of you who have not given blood are apprehensive as I once was, please try to allay your fears. Remember, too, all donors must be in good health and between 17 and 65 years old.
